

MPA Network Engagement Plan  
*Public Engagement Webinar: MPA Network*  
Central Coast Webinar

SEPTEMBER 14, 2022

# Public Engagement: the plan

Sept 6 to Oct 27

6 webinars

7 communities (in-person)

*Mixture of virtual and in-person, supported by web-based tools such as a website and engagement platform.*

# Materials for Engagement

## Network Action Plan

**Chapter 1:** An introduction that provides an overview, rationale, and the network design.

**Chapter 2:** Outline and overview of the proposed network, such as network area, protection levels, overlap with economic activities, amongst other elements.

**Chapter 3:** Operational recommendations for regulators and jurisdictional authorities to implement the network, inclusive of potential legal designation tools, implementation approach, and the identification of activities of concern.

**Chapter 4:** Provides an overview of the network governance and management, which addresses collaborative governance and recommends how management and monitoring of sites could occur.

**Appendix:** Site Profiles.

## Compendiums

**Compendium 1:** Existing MPAs in the NSB, Stakeholder Engagement & Consultation Details, Network Design Guidelines, and Descriptions of Current Activities in the NSB.

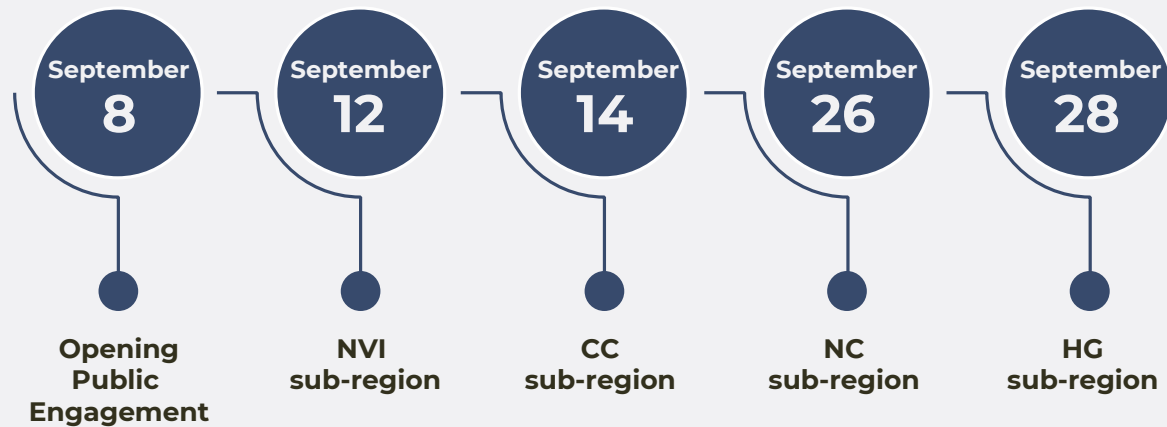

**Compendium 2:** Ecological Conservation Priorities, Spatial Features and Target Ranges, Conservation Gap Analysis, Performance Measures & Associated Report Cards.

**Compendium 3:** Socio-Economic Overview of the Northern Shelf Bioregion.

public,  
including  
stakeholders

Maps, draft  
Action Plan,  
Compendiums,  
and other  
materials

MPATT  
members  
available for  
questions

# Next Steps for Site Designation: Post-Engagement

- Engagement on the NAP during this period of engagement is followed by regulatory processes for site implementation

- Regulatory processes:
  - Post-NAP Endorsement
  - Based and driven by the designation tool for a site
  - Includes further engagement opportunities

- More information will be provided as regulatory processes are initiated

This period of engagement is not the last point for input!

# Summary

## Upcoming Webinars
